and first ring of the sixth big wheel and the same between the sixth and seventh big wheels.

Border of wheels and clover-leaves.—

Four d s, p, 4 d s, join to second ring of big wheel before the first joining of the first clover-leaf, 4 d s, p, 4 d s. Tie thread. Turn work and make smaller inside ring 2 d s, p, 2 d s, p, 2 d s, p, 2 d s, (picots should be extra large for joining in the small rings). Turn back and make ring like first one, joining to first ring and to remaining ring of big wheel before the clover-leaf. Turn and make second small ring, joining to first small ring, and continue for all remaining picots on clover-leaves and big wheels up to, and including, the second p of the eleventh big wheel. Tie thread. To shape collar still further at back of neck make picots on small rings smaller from fifth to sixth clover-leaf.
