

MANTILLA FOR MAY.

BY EMILY H. MAY.

ONE of the prettiest mantillas, which we have seen, this season, is the above. It has been drawn from one imported from Paris. The material is black silk. On the next page, we give a diagram, from which, when enlarged, the mantilla can be cut out.

No. 1. BODY.

No. 2. UPPER RUFFLE.

No. 3. LOWER RUFFLE.

Any lady can make this mantilla.
